

LOMDS NEWSLETTER

First of all your Board of Directors would like to wish everyone a Healthy and Prosperous New Year in 2012. 2011 proved to be a good year for the club, Membership increased, Participation in Club Events was up, and our representation in The Car Club Jamboree, HHI Concours, and other local shows was stronger than ever with awards being won by many of our members. The list of up-coming events to your right will give you some advanced scheduling help for 2012 events. There will be additional information on each event as we get closer to the date for each, especially for the Events which will also be expanded as we begin the year. January 18th will kick off 2012 with our Luncheon being held at **The Country Club of Hilton Head (CCHH)**. Our own Harvey Geiger will discuss "The Automobile - A Century of Progress". The board decided to move the luncheons to the CCHH because of a cost increase and minimum number of attendees being demanded from Moss Creek.

Valentines Ladies Night will take place on February 15 at the CCHH. A dinner and fashion show are in the plans for an enjoyable evening. (information to follow)

Additional Action Items Planned for 2012

1. Develop a list of cars owned by members. A questionnaire will be e-mailed to each member with this request. We would like to develop a list of the cars represented by our club on the web page. Only the car information will be listed, not the owners information.
2. Restart the Oyster Gazette as a bi-yearly electronic magazine that could include,
 - Event Information / Member car Projects / Automotive News and Maintenance Tips / Recipes / Cars for Sale / Business Ads / Member Accomplishments / etc.

Please feel free to make suggestions, 1st issue is slated for late March/ Early April.

In Conclusion we are looking forward to the coming year. It is up to each member to take part in club activities and pitch in to help and participate in events. If you have an idea for an event or speaker that might be of interest to your fellow members please pass them along. All Board members have volunteered to stay on for another year, if anyone has an interest in serving on the board please contact us.

Thank You
